

Find Your Ring Size

📌 Please Note

- Before printing, ensure that "Page Scaling" is set to **100%** in your printer settings.
- This ring sizer should measure 113.6mm long at full size.

Measure a Current Ring

1. Select a ring that properly fits the intended finger.
2. The left hand can differ from the right in size. Engagement rings & Wedding bands are traditionally worn on the ring finger on the left hand.
3. Place the ring over the circles below. The inside of the ring needs to line up with the edge of the circles nearest in size. If the ring sits between two sizes, choose the larger size.

Free Ring Sizer

1. Print your ring sizer and cut it out. Cut a line at the indicated slit next to the logo.
2. Wrap the ring sizer around your ring finger with the number side visible to you and put it through the hole.
3. The number that appears closest to the slit is your ring size. Round up to the nearest half size if in between lines.
